Reviewing and Understanding how to Improve my Low Mark - Feedback Sheet

Reviewing your marks will allow you to understand where you stand. Using the web site www.mfranzen.ca through the top menu, selecting your, *course > marks > section number* along with your student number, will allow you to review individual entries for each of your projects/assignment marks. **Organize and prioritize (1 is your first to work on, 10 your last) your zero/low marks by first looking at the base support projects, recent work, categories, and the weights to maximize your return on marks!**

1. Below, fill in table, one mark for Date, Project, Category, Weight, and Mark, and one mark for your Feedback. /20

#	Date	Project/Assignment Title	Category	Weight	Mark	How, when, what you plan to do, to earn/improve this mark entry
01						
02						
03						
04						
05						
06						
07						
08						
09						
10						

2. Write why you have fallen behind, i.e. not on task in class, not doing homework, do not understand, not enough time, etc. _____ /5

3. Write an explanation below, how you plan to catch-up/improve mark. Some examples could be: ½ hour of extra homework time daily, work at lunch in library, work with peer, review web resources, come in for extra help, use resource room, etc.

_____ /5

4. Fill in your final mark ____ as of (date) _____, Parent name printed _____ Signature _____ /10
